ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. ① What was the most useful segment of the program to you in your present assignment? ② The least useful? ③ Please describe how you see the program benefiting you.

① The segment on Technical Security Division. Being in the Overseas Security Support Branch, we deal closely with TSD and I was not really familiar with its functions. I can now appreciate them more (over).

(See Reverse Side)

C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

I thought this session was very  
beneficial to me. I had heard the  
name but never understood it. I'm  
hoping they will help me with a  
problem in my office - that's why they're here.

D. Other Comments:

① At the end of the course - have a  
speaker on how to lose weight  
effectively.

② [REDACTED] needs music.

③ Four people in a two-person room is  
ridiculous (especially when the men's  
are vacant).

B (Cont)

① The least useful speaker to me was  
the Director of Finance. I have  
no need or interest in that area.

③ The overall program benefited me  
by bringing to my mind the basics  
of each office. This gave me the  
understanding & realization that each job  
is an integral part of CIA and is an  
important to the country as my  
job is to me.
